## **Scheme of Publication:**

The Supreme Court Yearly Digest series provides annually, at one place, the entire case-law of the Supreme Court, as reported in SCC and all other major law reports.

Thus, the Supreme Court Yearly Digest, 2015 is the single most comprehensive resource for the entire case-law of the Supreme Court for 2015, and even includes judgments and orders of 2015, received late, or searched out by our research team or sent to us by our subscribers.

Additional features are added to make this an encyclopaedic reference tool for the busy lawyer and the judge.

Supreme Court Yearly Digest is an analytical, systematic and comprehensive masterpiece, that brings to you, in a single volume, the complete law declared by the Supreme Court in the year. This classic work is brought to you by the publishers of **Supreme Court Cases™** - the most widely cited and relied upon law report.

Maximum law points have been extracted from each judgment and then classified under statutory and topic headings and cross-referenced. The result is a work that makes searching for precedents easy, quick and thorough.

SCYD 2015 covers 15 Volumes of SCC (as reported in SCC 2015 Volumes 1 to 13 and SCC 2014 Volumes 15 and 16). As a bonus feature, the Addendum covers SCC 2015 Volume 14 and SCC 2016 Volume 1. As a new feature the index to case law published in our new law report, Information Technology and Communication Cases (ITCC) has been included after the Common Law Digest.
